

# THAMES VIEW JUNIOR SCHOOL

## 8TH JUNE 2017

**Headteacher: Sara Rider**

**Assistant Headteachers: Hans Ramduth, Rebecca Seaton, Rachel Mottershead and Georgina Nixon**

Dear Parents,

Welcome back to school after what I hope was a lovely half term for you all.

We are now into our last half term of the year, which I can't quite believe! This half term is always incredibly busy but filled with fun and exciting things to do.

Over the next few weeks most year groups are out on school trips visiting exciting places such as the British Library, Tate Modern and the V&A Museum . Year 6, although they got very wet, had a fabulous time at Chessington World of Adventures and were all incredibly well behaved throughout the day.

Years 5 and 6 are also working on their end of year production , which is set to be amazing. The parts are currently allocated to our year 6 children and year 5 are supporting through the chorus. More details will follow in my next letter, but it would be great to see as many of you there as possible.

Next week, some of our children will be competing in the Borough Athletics Championships. We are hoping that it will be an incredibly competitive day and we believe, that we have a great chance of coming away with some medals! I will keep you all posted.

Over the next couple of weeks, I am also hoping that I will have some dates to give to you for when uniform will be on sale for next year.

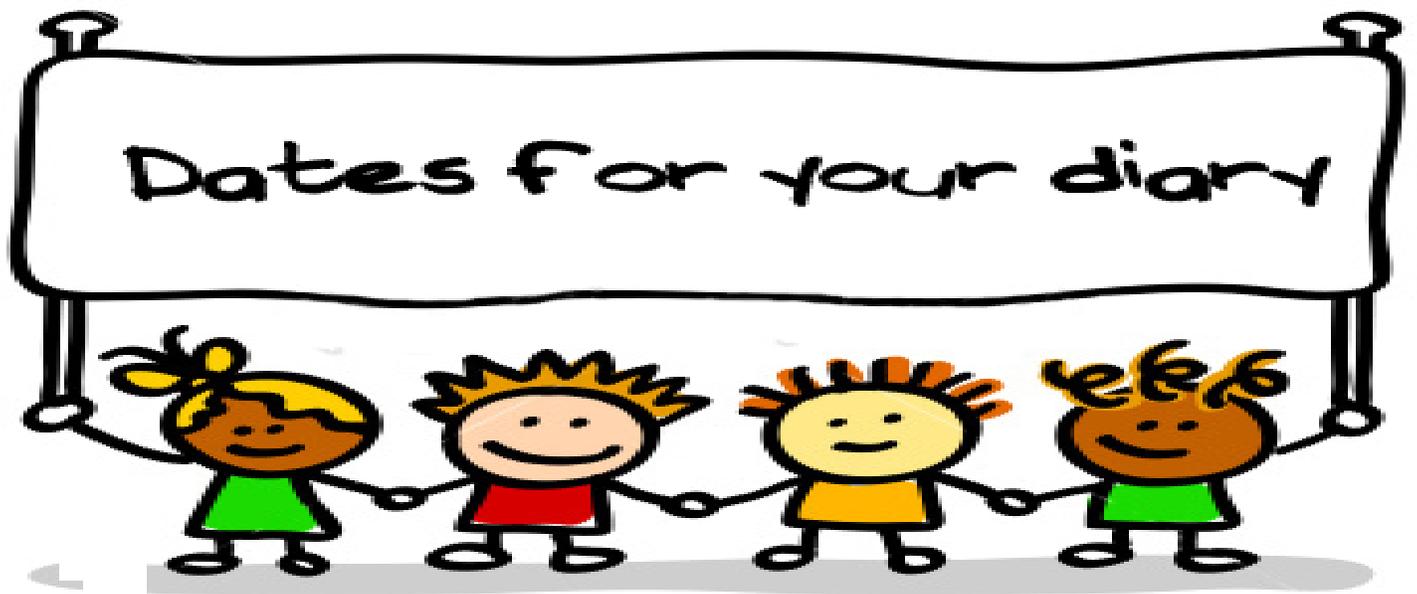

Please read the rest of this newsletter for information about school dates and Parent Mail.

I hope you all have a lovely end to the week and a great weekend.

Best Wishes,

Sara

## The best parental engagement system in the UK

We are currently in the process of moving over to Parent Mail. Parent Mail is an app based programme that can be accessed from any mobile, computer or tablet.

Many of you with children at Thames View Infants, will already be using this and I know from Paul, that it has been used very successfully. We hope to achieve the same level of success with the system at our school.

We hope that by using Parent Mail, we will be able to reduce the amount of paper we currently use to send home letters and notifications and will also, in the long run, improve communication between home and school.

Letters will be going home soon to ask you to update all of your details. Please take a few minutes to ensure that we have all of your necessary information.

As soon as our App is up and running we will let you know.
