Dear Parents,

As promised, I want to keep you updated about our potential relocation to the City Farm Site on Thames Road. At the present time and due to factors outside of our control, we are going to be unable to relocate in September.

The move will still happen at some stage as the Education Skills and Funding Agency are still committed to redeveloping Thames View Juniors but time constraints and architectural delays have meant that it is almost impossible for us to move during the Summer Holidays.

We will however still seek to move either during the year or next academic year.

As I am sure you are all aware, I am committed to ensuring that our children have the very best opportunities and will do everything within my power to guarantee that we are able to provide this.

I would like to take this opportunity to thank all of you for your continued support and for such encouraging and positive feedback.

Best Wishes,

Sara
