Dear Parents,

As you all know, our Year 6 children took their SATs tests back at the beginning of May. Last Tuesday, we received their results. Although the results are still yet to be validated I am absolutely delighted to share with you that our results were the best they have been to date!

I have included a table below which highlights our fantastic achievements. I am sure that you will all join with me in congratulating the Year 6 team and children on their remarkable success. Please also note the remarkable improvement in our own school results from 2016 to 2017. Quite exceptional in areas!

As Headteacher, it makes me feel incredibly proud of the staff and children and truly validates all of the hard work we have all put into making Thames View Juniors a wonderful school to be a part of. We all want the very best for our children and we are now looking forward to celebrating many more successful years.
