3. Barriers to future attainment (for pupils eligible for PP, including high ability)

In-school and External Barriers

A.	Gaps in learning preventing pupils from achieving age related expectations, particularly for children eligible for pupil premium funding.
B.	More able Pupil Premium pupils have not been targeted for accelerated progression
C.	Previously weak culture of targeted intervention, tracking groups, or support within school for disadvantaged pupils
D.	There is a history of underachievement of Pupil Premium with current Year 3 having the largest gap between Pupil Premium and Non- Pupil Premium
E.	Many Pupil Premium pupils also have additional needs.
F.	Attendance of Pupil Premium pupils.
G.	Social difficulties experienced by families including housing, finance, family literacy and parental anxieties.
H.	Limited experience of extra-curricular opportunities for personal development.
I.	History of families' poor educational experiences.

4. Desired outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A	Pupil Premium pupils to achieve in line with their non-pupil premium peers and make accelerated progress as gaps in learning are addressed.	Targets for individual pupils met Progress gap to narrow between PP and Non-PP pupils. Gaps close in attainment. Teaching to be recorded as good or better in triangulated learning walks monitoring and book looks. Questioning during lessons to include Pupil Premium pupils.
B	More able Pupil Premium pupil are being challenged regularly and having additional input from experienced teachers.	Pupil Premium pupils achievement in Reading, Maths, SPAG and Combined, at Greater Depth at the end of KS2 shows significant improvement.
C	Quality of teaching will be at least consistently good across the school. Gaps in learning to be filled, both in class, and by targeted interventions Leadership of Pupil Premium strengthened to ensure: Pupil Premium pupils are tracked regularly, with analysis of outcomes against other groups each half term. Pupil Progress Meetings specifically focus on Pupil Premium pupils' progress and outcomes. Interventions for specifically targeted Pupil Premium pupils are run systemically, and regularly with evidence of impact.	Diminishing gaps between PP and Non-PP pupils achieving the 'expected standard'. Number of PP pupils at 'greater depth' increases. Teaching staff have an in-depth knowledge of the Pupil Premium pupils that need targeted intervention. The profile of Pupil Premium pupils is raised within classes, and across the school. Staff are focusing on the performance of Pupil Premium pupils more than previously, and providing extra support in class for them. Interventions for Pupil Premium pupils are impacting on their performance. Improved results at all key stages.

D	Pupil Premium pupils identified as SEND are monitored closely and are making progress.	Book scrutinies show progress. Analysis of the data to substantiate this progress.
E	Pupil Premium pupils attendance increases, and the number of Pupil Premium pupils persistent absentees decreases	Overall attendance rate improves to be in line with non-attendance. Tracking shows upward trends in attendance for PP children. The number of PP children classed as being persistently absent will improve to be in line with the rest of the school.
F	Social Inclusion Officer is supporting families in need, easing some of the pressure on them. School is providing practical workshops on key skills for parents on key areas e.g. Healthy Eating, SEMH, and Medical Needs. Learning Mentor is supporting Pupil Premium children with Social, Emotional and Mental Health Needs and learning difficulties.	Families feel supported by school Positive parental views of school increase Closer relationship between school and home
G	Pupils have the opportunity to pursue their interest in extra-curricular activities, and experience new activities. Many pupils are now involved in a wide variety of extra-curricular activities, other than sport.	Pupils will develop skills and talents beyond the curriculum, through the use of before and after school provision.

iii. Other approaches

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A. All pupils are given the opportunity to learn a musical instrument and participate as a Choir.	Pupils are given the opportunity to learn instruments and singing by the Local Authority Music department. Year 4 pupils are taught to play the clarinet, Year 3 samba instruments.	Playing a musical instrument and singing as part of a choir has been shown to increase pupils' sense of self-worth and provide further opportunities in the future. Pupils are more likely to go on to learn a second instrument and learn to read music.	Pupil Premium Lead ensures that those entitled to PP funding receives relevant subsidies for individual music lessons. Y3 Community Music Services to conduct General Musicianship Y4 Wider Opportunities in Music Y5 Violin Y6 Trumpet / Flute Vocal : Choir, Young Voices, Barking and Dagenham Music festival	NP, SLT	Half-termly External Music Teachers (£5000) Trips for Music events (£1500)
B. Pupil Premium to have high self-esteem, pride and a feeling of self-worth by being well presented physically at school.	To target the families who are experiencing financial difficulties and unplanned for changes to their daily life with a view to offering support.	As the school falls in the lower 10% Deprivation Index, supporting vulnerable Lower income families should not be penalised or excluded because of not having the capacity to implement the school's uniform policy. Children should not be missing out on their education because of lack of uniform, as this will stigmatise them socially.	Identify the pupil and then the family to be supported. Then to be sensitively approached and the appropriate support offered.	PP Lead	Ongoing. School Uniforms. PE and additional purchases (£5000) School Leaders (£500) School Council Trips (£1000). Coffee Mornings (£1000) Educational Visits (£1000)
C. Improve Reading, Writing, Maths and Social Skills. Also to promote a positive approach to healthy eating.	Provide a free and nutritious meal before the start of the school day.	The school is aware that Pupil Premium pupils attend school without having a nutritious breakfast and this presents a barrier towards their learning.	All Pupil Premium parents to be informed of this initiative by letter, text and email. Keep a register of Pupil Premium pupil attendees	Pupil Premium Lead, SLT	Ongoing See Costing of Breakfast Club.

<p>D.</p> <p>Ensure that Pupil Premium pupils that are succeeding/ exceeding in different areas of school life and are spurred on to do greater and better.</p>	<p>Regular celebration opportunities</p>	<p>Praise and rewards will encourage 'I can and I will' Mindset.</p>	<p>Celebration lunches with SLT, Rewards and certificates, notifications sent home to parent via text/email.</p>	<p>SLT, Pupil Premium Lead, Social Inclusion Officer.</p>	<p>Half-Termly. Purchases for Values £1500 Careers Week (£1000)</p>
Budgeted cost					<p>£16,500</p>
Total budgeted cost					<p>£177,500</p>

Use of the Pupil Premium Income in 2019-2020

Pupil Premium is additional funding received by schools for each pupil from disadvantaged families or background. The funding brings in £1320 per pupil. It is allocated to schools, based on the number of children who come from low-income families – this is defined as any child who is known to have been eligible for free school meals at any point in the last six years. This is one of the current government's key education policies. It is based on findings that show that, as a group, children who have been eligible for free school meals at any point in time, have consistently lower educational attainment than those who have never been eligible.

It also includes children who have been looked after continuously for more than six months; and children where a parent serves in the armed forces.

Levels of deprivation at Thames View Junior School is considerably higher than nationally and the proportion of PP pupils is considerably higher. Furthermore, a significant proportion of other children in school live in families who are just above the threshold. Even if a pupil does not have a school dinner, it is vital for the school to know if they are entitled to a free school meal.

The government compares our results against national averages, rather than against similar schools. The results are mixed and indicate at the statistical level, that the results for Disadvantaged pupils at Thames View Junior School are slowly improving, but still need to improve to close the gap on the national average for non-disadvantaged pupils.

It is for schools to decide how the Pupil Premium allocated to schools per FSM pupil is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. However, they will be held accountable for how they have used the additional funding to support pupils from low-income families. The Pupil Premium Strategy is published to ensure that parents are fully informed about the amount of allocation, barriers faced by eligible pupils, how the funding is to be spent, how impact will be measured and the date the strategy will be reviewed. We also need to include how the allocation was spent for the previous year and its impact on eligible and other pupils. Our key objective in using the Pupil Premium Grant is to diminish the differences between pupil groups.

At Thames View junior School, we are now intending track all groups of pupils to ensure that they make good or better progress. We are aware of the fact that we fall in the bottom 10% of the deprivation index nationally and that pupils basic needs must be met first in order to secure good or better progress in learning. By looking at the wider picture, which includes socio-economic factors, emotional well-being, familial factors and bereavement; our view is that by addressing these factors we are in a better position to encourage our pupils meet and sustain their educational potential and exude a passion for learning.
