General Overview

Thames View Junior School are dedicated to ensuring that all members of the school community and the wider community are treated equally, fairly, with respect, and by each other. This applies to the school as a place of education and an employer. Prejudice, discrimination and victimisation are not tolerated and we work hard to instil in our pupils a strong understanding of rights and wrong, including the importance of inclusion, acceptance, and compassion towards others. Thames View Junior School's main priorities is to provide the best education and care that we can, and establish co-operative working relationship between home and school, so as to aid the development, progress, and needs of all the children in our care.

Through the creation of this equalities plan, we have been able to develop a better understanding of what the challenges to equality are within a school and how we can best deal with these. The current summary on equality based actions being undertaken by Thames View Junior School is set out in appendix

7. This document will be reviewed annually, or anytime there is an update or change to equality legislation, to ensure that it is being effectively implemented and remains focused and up-to-date on issues surrounding equality both within the school and nationally. This will be reviewed with the School's equality objectives.

The Equality Duties

This plan sets out how the school will satisfy its duties all the discrimination, harassment, victimisation and any other behaviour prohibited by the Equality Act 2010, to foster good relations between persons with and without protected characteristics and promote equality of opportunity regardless of whether a person has a protected characteristic.

Thames View Junior School aims to comply with this duty, in both the delivery of its services and the employment of its staff. The plan is written by senior leaders and ratified by the Board of Governors, in line with the Equality Act 2010 and is the foundation of all the School's other policies – particularly the SEND policy, as well as the Admissions, Anti-bullying and the Behaviour policies.

This plan will be part any induction process within the School.

Copies of all the policies named are available through the school website, paper copies can be requested through the school office.

PROMOTING EQUALITY AND SOCIAL AWARENESS IN THE TRUST AND IN THE LOCAL COMMUNITY

Community Cohesion

Thames View Junior expects all of its staff and pupils to act respectfully towards members of the wider communities that each school is part of.

Inclusion

Promoting and practicing Inclusion in school lessons, around the school sites, during all school activities and into the wider community is a key part of developing a positive attitude towards equality and people from different backgrounds. You can find more information regarding our provision for the policy on inclusion for SEND in our Inclusion Policy.

Pupil Voice

Through our support of student voice, we encourage our pupils to have confidence in voicing their opinions and taking responsibility for the world around them. It is important that we teach our children how to engage in mature social interactions and get along with a variety of different types of people. This is developed through student voice by interactions between pupils from different year groups, pupils and staff as well as the wider community.

Recruitment

Thames View Juniors is committed to providing equality of opportunity for all and ensuring that all stages of recruitment and selection are fair. Recruitment and selection procedures are reviewed on a regular basis to ensure that applicants are not discriminated against in regard of these characteristics. Thames View Junior acknowledges that unfair discrimination can arise on occasion and so will ensure that the equal opportunities policy outlined in the plan is the foundation for all its activities. Where a candidate is known personally to a member of the selection panel, it will be declared before shortlisting takes place. It may then be necessary to change the selection to ensure that there is no conflict of interest and that the equal opportunities principles are adhered to.

Staff

Equal Opportunities for Staff

As part of our commitment to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment, the school will ensure that:

- All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law.
- Staffing of the school reflects the diversity of our communities where possible.
- As an employer we strive to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.
- We respect the religious beliefs and practice of all staff, pupils and parents, and comply with reasonable requests relating to religious observance and practice.

- We ensure that all staff, including support and administrative staff, receive appropriate training and opportunities for professional development, both as individuals and as groups or teams.

Staff Discipline and Suspension

The school is committed to ensuring that all school staff are treated fairly and consistently and anyone not adhering to these values is held to account through our respective Staff Conduct Policy.

The education and wellbeing of our pupils is our main priority. Any member of staff who creates a barrier to learning for our pupils will be disciplined. The staff appraisal policy provides more information on how the school monitors staff performance. We hope that the staff will feel confident to voice complaints and grievances in the confidential environment of the school and that they will have great faith in its employees, and hopes never to have to discipline anyone as a result of misconduct.

Behaviour, Exclusions Attendance

The school behaviour policy takes full account of the duties under the Equality Act. We make reasonable, appropriate and flexible adjustments for pupils with special educational needs and disabilities. We closely monitor data on exclusions and absence from school for evidence of over-representation of different groups, and will take action to address any concerns that arise in this area. Please refer to our Attendance, Behaviour and Exclusions policies.

The curriculum

Monitoring and review

The single equality plan will be reviewed annually by the Governing body unless there is specific reason for it to be reviewed earlier (for example an incident involving member of the school community or new legislation).

The school's governing body will review how effective it is in reducing/eliminating discrimination, promoting equality and participation and fostering good relationships between different groups, and that it does not disadvantage particular sections of the community. They will also review evidence that is being put into practice in school by staff and pupils, and whether there is any need for extra training or development sessions across the whole school to ensure it is promoted and implemented as much as possible.

Every term the Governing Body will review Monitoring Reports provided by the Headteacher. These will include data and information on:

- Recruitment and retention.
- Key initiatives
- Progress against targets relating to equality and future plans □ School population.

Thames View Junior is aware that the aim to promote equality of opportunity, foster good relations and eliminate discrimination is ongoing and are proud of the achievements to date within these areas.

Practice around the school

- All pupils should have work displayed at some time during the school year
- Pupils with special educational needs must be given equal access to the curriculum
- All pupils have equal access to extra-curricular activities
- Staff has an awareness of the demands of the individual and endeavour to give equal attention and speak in the same manner to all children, avoiding bias when praising or disciplining
- All pupils should have equal opportunities to help with jobs and mixed groups should move PE equipment
- All pupils must have an opportunity to take books home to read
- Children should be involved in formulating class rules at some point in each academic year
- Parents and Governors have an opportunity to view the type of teaching/work undertaken in

support of the curriculum. This should encourage an independent perspective of the way in which the 'wider community' is portrayed

Our aim is to have a zero incidence of, and tolerance for, discriminatory behaviour. The School should exude a confident, progressive approach to the aims set out in this policy, actively demonstrating the benefits of mixed contributions and teamwork.

Outcomes

One of the most important indicators of how successful we are in promoting equality and eliminating discrimination are the outcomes for various individuals and groups. Where robust analysis of outcomes reveals poorer outcomes for any particular groups, an impact assessment will be carried out and an action plan put in place to aid these outcomes.

Action plans will outline:

- Objectives and specific actions to be taken.
- Expected impact and indicators of achievement (success criteria)
- Clear timetables
- Who has lead responsibility
- Resource implications specified dates for review.

Equality Impact Assessments

Impact assessments are carried out as part of the review of all school policies and assess whether school policies or plans are having a negative or adverse, or positive impact on groups of individuals within the school community.
