

'Striving For Excellence'

BRITISH VALUES STATEMENT

The DfE have reinforced the need ***“to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.”***

At Thames View Junior School we teach the children about British Values through:

- *School's Ethos & Culture*
- *Broad, balanced & varied curriculum*
- *Diverse assemblies*
- *School Rules & Values*
- *Meaningful displays*
- *Traditional House system*
- *Extended curriculum*

The different strands of British Values are:

Democracy

The school also has house captains, and council members who meets regularly to discuss issues raised in class council meetings. Each of the council members for each class is voted in by their peers.

Miss McArdle is the member of staff who manages the school council; **Miss E Kirwan** attends the school council meetings to represent the governing body. At the beginning of the Autumn term the children in years 3 to 6 nominate and vote for the children who they would like to represent their class on the school council.

The Rule of Law

The importance of Laws, whether they be those that govern the class, the school, or the country, are consistently reinforced throughout regular school days, as well as when dealing with behaviour and through school assemblies. Pupils are taught the value and reasons behind laws, that they govern and protect us, the responsibilities that this involves and the

'Striving For Excellence'

consequences when laws are broken. Visits from authorities such as the Police and Fire Service help reinforce this message.

Individual Liberty

Within school, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young pupils to make choices safely, through provision of a safe environment and empowering education. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advised how to exercise these safely, for example through our E-Safety and PSHE lessons. Whether it be through choice of learning challenge, of how they record, of participation in our numerous extra-curricular clubs and opportunities, pupils are given the freedom to make choices.

The school has delivered e-safety training to staff, children and parents.

Mutual Respect

At Thames View Junior school, mutual respect is at the heart of our values. Children learn that their behaviours have an effect on their own rights and those of others. All members of the school community treat each other with respect.

Tolerance of those of Different Faiths and Beliefs

Staff and Governors alike place a great emphasis on promoting diversity with the children of our school. Assemblies are regularly planned to address this issue either directly or through the inclusion of stories and celebrations from a variety of faiths and cultures. Members of different faiths or religions are encouraged to share their knowledge to enhance learning within classes and the school. Children visit places of worship that are important to different faiths.

At Thames View Junior School we will actively challenge pupils, staff or parents expressing opinions contrary to fundamental British Values, including 'extremist' views.
