Georgina Nixon

Thursday 25th January 2017

Dear Parents,

It's been a really busy couple of weeks here at Thames View Juniors. Last week, the school had its Ofsted Inspection, we are waiting for the report which should be published within the next 2 to 3 weeks. As soon as it is ready I will let you know. I would like to thank you all for your support, the feedback we received from you as parents, it was so overwhelmingly positive and it was great to hear from the Inspectors that the children and parents think so much of our school.

Due to this, we have had to move our parent workshops so that we can still fit them all in. Parent workshops are a really good way of finding out how we teach things and how you can support your child at home. I've attached the new dates for you. It would be great to see you there.

- **Friday 26th January- Internet Safety and Cyber bullying – 9am**
- **Wednesday 31st January- Helping your child to read at home – 9am**
- **Friday 2nd February- Helping your child with Maths at home- 9am**

We are also in the process of planning our first inter house event of the year. This half term, the children will all be competing for their houses in a cross country competition. It is always very competitive and the children love trying to win our house cup. I will send the date out next week, please try and come along and support the children, let's just pray for good weather!

You will also be receiving letters from your child's teacher soon inviting you to come in and celebrate their end of topic work. This half term has seen some wonderful topics looking at everything from Romans to Rainforests. Look out for these letters next week!

In the meantime, have a wonderful weekend.

Sara
