Dear Parents,

Welcome back! This week teachers are meeting most of you to discuss how your child has settled in over the first half term. It is a great opportunity to discuss school life and our expectations.

It was great to see so many parents and carers in school at the end of term and the week for our end of term project presentations. The children love showing you what they have been up to and rightly are very proud of their learning and accomplishments.

The next few weeks into the build up to Christmas are set to be very busy. Year 3 and 4 are both out on trips and there are lots of things going on in school.

Over the next two weeks, all the children will have the opportunity to listen to live music from the borough band, which is always a delight! Across the school children are now working hard on their new topics and English core texts. We are very proud of our broad and engaging curriculum, you can find out more about this by going to our website www.thamesviewjunior.com where you will be able to access the curriculum maps for each year group.

I thought it would also be useful to send you home dates for your diaries as I know there are lots of events coming up! Make sure you make a note of the things that apply.
