Maths

In Maths we have been learning money and statistics. We recognise notes and coins and can add and subtract amounts of money.

Music

We listened Bolero by Ravel and Beethoven Symphony 8 played by the London Symphony Orchestra.

Reading – We practised the 'VIPERS' reading skills, focusing on summarising:

This Paragraph is about insects that hunt for preys in different ways.

It shows the methods that a predator may use to hunt and kill their prey. Predators hurt insects since they need to survive and live their life.

PE

In PE, we the weekly fitness challenge from the London Youth Games
