

# January

**Year 5 welcomed our new Executive Headteacher to TVJ this month. We have made some new years resolutions and aim to try our best to stick to them!**

Some of our year 5s completed in a football match against Beam Primary this month.

This month we have been learning all about the Greeks. In our writing lessons we have been reading the story of Percy Jackson and the lightening thief.

Some of the children have already made it to 30 reads, and getting close to 50 in their read and respond. Make sure you read with your child every day and record it.

Then they can get the reading prizes in assembly.
