

This month we have welcomed our year 5s into their new classes. The first day can be a bit nerve wracking, but our year 5s took it by storm.

In maths we have been covering lots of number work. This has included addition, subtraction, multiplication and division.

Reading is so important for all the children at TVJS. Please remember to read with your child every night and record it into their read and respond.

The tsunami that hit Indonesia in September 2018 inspired many of the children this month to try and help all of the people that lost their homes.
