Autumn 2020

September 2020 has been like no other. I am sure that in the future the Corona Virus will become part of the curriculum, we will be learning about it for years. We have got lots of things in place for the staff and children to keep them safe and the children have got used to the new routines very quickly. It has been a great start to this year!

TVJ is a paperless. Parent Mail will be used to send out all letters, emails and consent forms for trips. If you are having problems with Parent Mail then please call the main office and they are happy to help.

School Water Bottles

All of the water fountains at school have been temporarily switched off. So it is more important than ever for children to bring water in from home to drink. Any water bottles brought into school should be:
Clear/see through.

Named

Only contain water—Children can not bring juice squash or other drink into school.

We now have Thames View Water Bottles that the children will be able to buy and use in school if they would like.

We will be selling them for the next two weeks on a Wednesday & Friday for £2.50 each.

Remote Learning

At Thames View Junior School all remote learning from the 2nd of November will be delivered Via Teams. Each child will have a log in set up and shared with them. We will be practising using the program during our computing lessons before then.

Every Child has also has been given a log in for Bug Club and Times Table Rock Stars. Their teachers will

be keeping track of them and setting tasks.

Pumpkin Carving Competition

For the first time ever we will be having a pumpkin carving competition for the children at Thames View Juniors. If you would like your child to take part please allow them to bring in their carved pumpkin to school.

The rules are very simple!

- ◆ One entrée per child
- ◆ No additional accessories
- ◆ No painting or colouring off the pumpkins.

We will be choosing the winners on the last day of school before we break up for half term!
