

Wider Curriculum

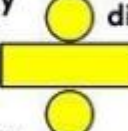

In History we have been learning About prehistory – what life was like in the Stone, Bronze and Iron Ages.

Stone Age
to Iron Age

December

Maths

In Maths we have been learning our times tables and related division facts. We have also learned the written method for multiplication and a range of strategies we can use to solve problems.

MULTIPLICATION	DIVISION
multiply times product multiplied by	divided by share divide divide into
	
groups of lots of doubled times tables	divisible by group each share equally
448 x 317	

Science Week

We had a great time in Science week learning about magnetic force and making our own compasses.

Music

The year 3 glockenspiel club learned some new pieces, including Jingle Bells!

Religion

In PE, we learned about Diwali and Christmas and made cards for both occasions.
